**Federal Statements****Statement 4 - Form 990, Part III - Organization's Primary Exempt Purpose**

Valley United Way's primary exempt purpose is to develop and provide financial assistance and community leadership to nonprofit human service organizations which meet identified community needs in Ansonia, Derby, Oxford, Seymour and Shelton, Connecticut.

**Statement 5 - Form 990, Part III, Line a - Statement of Program Service Accomplishments****Description**

Valley United Way provides direct funding to support successful programs demonstrating real community impact to twenty-four partner agencies in the community through a regular allocations process conducted by community volunteers and approved by its volunteer board of directors. Additionally, it provides other issue related grants for priority needs in the community as identified by the Board of Directors. It also conducts a small grants program tied to donor designated funds for special areas of need. Donor directed donations are also made to a variety of non-profit groups as directed by donors. Additional resources are provided to any nonprofit group in the community through its product donation program. This program provides locally and nationally donated items to needy agencies in the Valley community. It also facilitates the human capital in the area by maintaining a Volunteer Center and on-line volunteer referral service which provides additional volunteer resources to the entire community.

**Statement 6 - Form 990, Part III, Line b - Statement of Program Service Accomplishments****Description**

In addition to its direct funding practices, Valley United Way strengthens the community through a variety of special programs and initiatives starting with its Volunteer Center which serves as a hub for volunteerism in the community by providing resources to facilitate volunteer activities. It operates an innovative on-line volunteer matching system (Volunteer Solutions) which allows both volunteers and those needing volunteers to participate in an always-available system in addition to the live services of the Center. United Way also operates a very successful Corporate Volunteer Council which provides a vehicle for community involvement and leadership for the region's business community. Members of the Council work collaboratively to help meet the needs of the community through a variety of special activities including food and clothing drives and hands-on improvement projects. During the past year, the group renovated the headquarters a local service agency. They also clothed more than 180 children for the new school year.

**Federal Statements****Statement 6 - Form 990, Part III, Line b - Statement of Program Service Accomplishments**  
**(continued)**Description

Its monthly clothing drive supports services for victims of domestic violence and the food drives support the area's food bank. The group also collects cell phones for victims of domestic violence and crochets blankets that are donated for use by counselors and police when conducting crisis intervention calls.

United Way also coordinates a similar Council for the Valley's high schools. All five of the local high schools participate in a cooperative venture to increase student volunteer involvement in meeting the needs of the community.

United Way's own Youth Leadership program provides area high school students with a training program and opportunity to develop and use leadership skills. In addition to their training, the students put their skills to work in conducting a needs assessment and administering their own small grants program where they make small grants to area groups working on issues identified as priorities for area teens.

As a community facilitator, Valley United Way also hosts and provides support services for two major Valley institutions. The Valley Council for Health & Human Services is a collaborative group of the region's nonprofit health and human service providers. United Way is also a partner with the Council and the Greater Valley Chamber of Commerce in conducting the Leadership Greater Valley program which recruits, trains and places a diverse group of new volunteer leaders for the community. The Valley Needs and Opportunities Project is also based at United Way and it provided planning and coordination for the region and conducted needs and assets assessments as a basis for planning.

Valley United Way is also deeply committed to early childhood initiatives, and acts as a fiduciary for the City of Ansonia on an early childhood program called Discovery.

United Way also serves as the local coordinator for FEMA funding in the area helping to facilitate the coordination and distribution of FEMA funding in the Valley area.

These activities add significantly to the quality of life in the community but their financial value is not reflected in the Form 990 financial data.
